Voted Best In-Home Senior Care

Thank you, Dickinson, from all of us at Northland PACE!
Northland PACE is honored to be voted *Best In-Home Senior Care* in the 2026 Best of the Best of Dickinson. This recognition means so much to our team because it comes directly from the community we serve. Thank you for trusting us to care for your loved ones and for believing in our work.

Supporting Independence, Health, and Quality of Life
Northland PACE (Program of All-Inclusive Care for the Elderly) helps older adults remain living safely and independently in their homes for as long as possible. Instead of navigating multiple providers, appointments, and insurance plans, participants receive their care through a coordinated program designed around their unique needs.

We provide coordinated care for older adults. This care includes:

- Primary medical care
- Nursing support & medication management
- Therapies (Physical Therapy, Occupational Therapy, and Speech Therapy)
- Social work & care coordination
- Transportation to and from medical appointments and our PACE Day Center
- Home care services
- Day Center activities & meals
- 24/7 on-call medical support

With Northland PACE, participants receive the care they need while staying in the place they love most—**their home.**

One team. One program. One goal: **keeping you or your loved one safe and independent for as long as possible.**

Again, thank you, Dickinson, for believing in our program.
